Description Of Services:

Head Start prepares children for school by teaching them to listen, speak clearly, follow directions, solve problems, and use numbers and words. The program teaches children to respect others and how to cooperate and resolve differences. Head Start teaches personal and dental hygiene and provides daily nutrition and health screenings and follow-up care by medical and dental professionals. Also, children with disabilities are welcomed and receive services from specially trained teachers. At least 10 percent of Head Start participants have physical, mental and emotional disabilities.
