Eligibility Criteria:

Some of the primary requirements of the program are that the applicant does not have insurance coverage for outpatient prescription drugs, their income level is creating hardships when purchasing prescription drugs, and the applicant does not qualify for a government or 3rd party program.

Appointment Needed:

Yes.

Cost of Service to Clients:

Varies on prescription.

Description Of Services:

Most of these assistance programs are sponsored by drug manufacturer companies. Free Medicine Program, assists you with finding the appropriate patient assistance program, as well, as assists you with the necessary paperwork to get started. Once qualified, you will receive your medications free of charge. Usually a 90-day supply will be sent to a patient's home, most shipments go to the physician's address that is listed on the application.
